Are you looking for a beautiful sanctuary in a picturesque city to celebrate your wedding? The sanctuary of the First United Methodist Church of Saint Clair is truly beautiful! The church is located just one block from the beautiful blue water of the Saint Clair River. Our sanctuary is equipped with central air-conditioning, so your summer wedding can be comfortable, whatever the weather.

We care about the success of your marriage! The pastor requires all couples married at our church to have the benefit of pre-marital counseling. For couples within a commutable distance, the couples will meet with the pastor at the church in Saint Clair. Couples who are outside a commutable distance will need to secure pre-marital counseling in their area, and provide a letter of completion from the counselor to the pastor.

Because the needs of brides and grooms are different with each couple, the costs of having a wedding at the First United Methodist Church vary. Please contact the church office, (810) 329-7186 or scfumc@sbcglobal.net, for further information.
